

## Delta Delta Epsilon Medallions

In appreciation for a student's service to the society each member in good standing may choose to be acknowledged as a member of their local Chapter of Delta Delta Epsilon at graduation by wearing the Delta Delta Epsilon medallion.

A picture of the medallion is provided below. These can be ordered through Medal Craft Mint.

The medallions have a DDE side and a side that can be personalized to each Chapter (Alpha Chapter shown above). Each die cast costs approximately \$700-\$800 to make (this is per side).

Cait Porterfield, advisor of the Alpha Chapter of DDE, will provide all DDE Chapters permission to use the DDE die cast for their medallions so they do not have to pay to create a new one. The Alpha Chapter was the original purchaser of the die cast. Each Chapter that requests will be provided a letter of permission by emailing Cait at [cporterfield@uco.edu](mailto:cporterfield@uco.edu).

You can also opt to create a die cast specifically for your Chapter (additional cost of about \$700.00) or, like many universities have done, just use the DDE side of the medallion.
