Research Description

Mission Statement: The mission of the Laboratories and Educators Alliance Program (LEAP) is to facilitate collaborative research between academia and forensic science laboratories. This joint effort between the American Society of Crime Lab Directors (ASCLD) and the Council of Forensic Science Educators (COFSE) identifies forensic science needs and provides a platform for laboratories, researchers and students to seek projects aligning with their mutual research capabilities.

This template will be used to highlight your research in the LEAP quarterly newsletter.
